Each day an advertisement is published or a licensee allows his or her license to be used in violation of this Section constitutes a separate offense. In addition to the penalties and remedies provided in this

Section, a licensee who violates any provision of this Section shall be subject to the disciplinary action, fines, and civil penalty provisions of this Act.

(B) The business or occupation engaged in for the 5 years immediately before the date of the execution of the statement, the place where the business or occupation was engaged in, and the names of employers, if any.

(c) Each applicant for a permanent employee registration card shall have his or her fingerprints submitted to the Department of State Police in an electronic format that complies with the form and manner for requesting and furnishing criminal history record information as prescribed by the Department of State Police. These fingerprints shall be checked against the Department of State Police and Federal Bureau of Investigation criminal history record databases now and hereafter filed. The Department of State Police shall charge applicants a fee for conducting the criminal history records check, which shall be deposited in the State Police Services Fund and shall not exceed the actual cost of the records check. The Department of State Police shall furnish, pursuant to positive identification, records of Illinois convictions to the Department. The Department may require applicants to pay a separate fingerprinting fee, either to the Department or directly to the vendor. The Department, in its discretion, may allow an applicant who does not have reasonable access to a designated vendor to provide his or her fingerprints in an alternative manner. The Department, in its discretion, may also use other procedures in performing or obtaining criminal background checks of applicants. Instead of submitting his or her fingerprints, an individual may submit proof that is satisfactory to the Department that an equivalent security clearance has been conducted. Also, an individual who has retired as a peace officer within 12 months of application may submit verification, on forms provided by the Department and signed by his or her employer, of his or her previous full-time employment as a peace

officer.

(d) The Department shall issue a permanent employee registration card, in a form the Department prescribes, to all qualified applicants. The holder of a permanent employee registration card shall carry the card at all times while actually engaged in the performance of the duties of his or her employment. Expiration and requirements for renewal of permanent employee registration cards shall be established by rule of the Department. Possession of a permanent employee registration card does not in any way imply that the holder of the card is employed by an agency unless the permanent employee registration card is accompanied by the employee identification card required by subsection (f) of this Section.

(e) Each employer shall maintain a record of each employee that is accessible to the duly authorized representatives of the Department. The record shall contain the following information:

(1) A photograph taken within 10 days of the date that the employee begins employment with the employer. The photograph shall be replaced with a current photograph every 3 calendar years.

(2) The Employee's Statement specified in subsection (b) of this Section.

(3) All correspondence or documents relating to the character and integrity of the employee received by the employer from any official source or law enforcement agency.

Each employee record shall duly note if the employee is employed in an armed capacity. Armed employee files shall contain a copy of an active firearm owner's identification card and a copy of

an active firearm authorization card. Each employer shall maintain a record for each armed employee of each instance in which the employee's weapon was discharged during the course of his or her professional duties or activities. The record shall be maintained on forms provided by the Department, a copy of which must be filed with the Department within 15 days of an instance. The record shall include the date and time of the occurrence, the circumstances involved in the occurrence, and any other information as the Department may require. Failure to provide this information to the Department or failure to maintain the record as a part of each armed employee's permanent file is grounds for disciplinary action. The Department, upon receipt of a report, shall have the authority to make any investigation it considers appropriate into any occurrence in which an employee's weapon was discharged and to take disciplinary action as may be appropriate.

(5) The Department may, by rule, prescribe further record requirements.

(f) Every employer shall furnish an employee identification card to each of his or her employees. This employee identification card shall contain a recent photograph of the employee, the employee's name, the name and agency license number of the employer, the employee's personal description, the signature of the employer, the signature of that employee, the date of issuance, and an employee identification card number.

(g) No employer may issue an employee identification card to any person who is not employed by the employer in accordance with this Section or falsely state or represent that a person is or has been in his or her employ. It is unlawful for an applicant for registered employment to file with the Department the fingerprints of a person other than

himself or herself.

(h) Every employer shall obtain the identification card of every employee who terminates employment with him or her.

(i) Every employer shall maintain a separate roster of the names of all employees currently working in an armed capacity and submit the roster to the Department on request.

(j) No agency may employ any person to perform a licensed activity under this Act unless the person possesses a valid permanent employee registration card or a valid license under this Act, or is exempt pursuant to subsection (n).

(k) Notwithstanding the provisions of subsection (j), an agency may employ a person in a temporary capacity if all of the following conditions are met:

(1) The agency completes in its entirety and submits to the Department an application for a permanent employee registration card, including the required fingerprint receipt and fees.

(2) The agency has verification from the Department that the applicant has no record of any criminal conviction pursuant to the criminal history check conducted by the Department of State Police. The agency shall maintain the verification of the results of the Department of State Police criminal history check as part of the employee record as required under subsection (e) of this Section.

(3) The agency exercises due diligence to ensure that the person is qualified under the requirements of the Act to be issued a permanent employee registration card.

(4) The agency maintains a separate roster of the names of all employees whose applications are currently pending with the Department and submits the roster to the Department on a monthly basis. Rosters are to be

maintained by the agency for a period of at least 24 months.

An agency may employ only a permanent employee applicant for which it either submitted a permanent employee application and all required forms and fees or it confirms with the Department that a permanent employee application and all required forms and fees have been submitted by another agency, licensee or the permanent employee and all other requirements of this Section are met.

The Department shall have the authority to revoke, without a hearing, the temporary authority of an individual to work upon receipt of Federal Bureau of Investigation fingerprint data or a report of another official authority indicating a criminal conviction. If the Department has not received a temporary employee's Federal Bureau of Investigation fingerprint data within 120 days of the date the Department received the Department of State Police fingerprint data, the Department may, at its discretion, revoke the employee's temporary authority to work with 15 days written notice to the individual and the employing agency.

An agency may not employ a person in a temporary capacity if it knows or reasonably should have known that the person has been convicted of a crime under the laws of this State, has been convicted in another state of any crime that is a crime under the laws of this State, has been convicted of any crime in a federal court, or has been posted as an unapproved applicant by the Department. Notice by the Department to the agency, via certified mail, personal delivery, electronic mail, or posting on the Department's Internet site accessible to the agency that the person has been convicted of a crime shall be deemed constructive knowledge of the conviction on the part of the agency. The Department may adopt rules to implement this subsection (k).

(1) No person may be employed under this Section in any capacity if:

(1) the person, while so employed, is being paid by the United States or any political subdivision for the time so employed in addition to any payments he or she may receive from the employer; or

(2) the person wears any portion of his or her official uniform, emblem of authority, or equipment while so employed.

(m) If information is discovered affecting the registration of a person whose fingerprints were submitted under this Section, the Department shall so notify the agency that submitted the fingerprints on behalf of that person.

(n) Peace officers shall be exempt from the requirements of this Section relating to permanent employee registration cards. The agency shall remain responsible for any peace officer employed under this exemption, regardless of whether the peace officer is compensated as an employee or as an independent contractor and as further defined by rule.

(o) Persons who have no access to confidential or security information and who otherwise do not provide traditional security services are exempt from employee registration. Examples of exempt employees include, but are not limited to, employees working in the capacity of ushers, directors, ticket takers, cashiers, drivers, and reception personnel. Confidential or security information is that which pertains to employee files, scheduling, client contracts, or technical security and alarm data.

Section 35-35. Requirement of a firearm authorization card.

(a) No person shall perform duties that include the use, carrying, or possession of a firearm in the performance of those duties without complying with the provisions of this

Section and having been issued a valid firearm authorization card by the Department.

(b) No employer shall employ any person to perform the duties for which employee registration is required and allow that person to carry a firearm unless that person has complied with all the firearm training requirements of this Section and has been issued a firearm authorization card. This Act permits only the following to carry firearms while actually engaged in the performance of their duties or while commuting directly to or from their places of employment: persons licensed as private detectives and their registered employees; persons licensed as private security contractors and their registered employees; persons licensed as private alarm contractors and their registered employees; and employees of a registered armed proprietary security force.

(c) Possession of a valid firearm authorization card allows an employee to carry a firearm not otherwise prohibited by law while the employee is engaged in the performance of his or her duties or while the employee is commuting directly to or from the employee's place or places of employment, provided that this is accomplished within one hour from departure from home or place of employment.

(d) The Department shall issue a firearm authorization card to a person who has passed an approved firearm training course, who is currently employed by an agency licensed by this Act and has met all the requirements of this Act, and who possesses a valid firearm owner identification card. Application for the firearm authorization card shall be made by the employer to the Department on forms provided by the Department. The Department shall forward the card to the employer who shall be responsible for its issuance to the employee. The firearm authorization card shall be issued by the Department and shall identify the person holding it and the name of the course where the employee received firearm

instruction and shall specify the type of weapon or weapons the person is authorized by the Department to carry and for which the person has been trained.

(e) Expiration and requirements for renewal of firearm authorization cards shall be determined by rule.

(f) The Department may, in addition to any other disciplinary action permitted by this Act, refuse to issue, suspend, or revoke a firearm authorization card if the applicant or holder has been convicted of any felony or crime involving the illegal use, carrying, or possession of a deadly weapon or for a violation of this Act or rules promulgated under this Act. The Department shall refuse to issue or shall revoke a firearm authorization card if the applicant or holder fails to possess a valid firearm owners identification card. The Director shall summarily suspend a firearm authorization card if the Director finds that its continued use would constitute an imminent danger to the public. A hearing shall be held before the Board within 30 days if the Director summarily suspends a firearm authorization card.

(b) The firearm training requirement may be waived for an employee who has completed training provided by the Illinois Law Enforcement Training Standards Board or the equivalent public body of another state, provided documentation showing requalification with the weapon on the firing range is submitted to the Department.

Section 35-45. Armed proprietary security force.

(a) All financial institutions that employ one or more armed employees and all commercial or industrial operations that employ 5 or more persons as armed employees shall register their security forces with the Department on forms

The practice of a private detective, private security contractor, private alarm contractor, locksmith, private detective agency, private security contractor agency, private alarm contractor agency, or locksmith agency by any person, firm, corporation, or other legal entity that has not been issued a license by the Department or whose license has been suspended, revoked, or not renewed is hereby declared to be inimical to the public safety and welfare and to constitute a public nuisance. The Director, through the Attorney General, the State's Attorney of any county, any resident of the State, or any legal entity within the State may apply for injunctive relief in any court to enjoin any person, firm, or other entity that has not been issued a license or whose license has been suspended, revoked, or not renewed from conducting a licensed activity. Upon the filing of a verified petition in court, if satisfied by affidavit or otherwise that the person, firm, corporation, or other legal entity is or has been conducting activities in violation of this Act, the court may enter a temporary restraining order or preliminary injunction, without bond, enjoining the defendant from further activity. A copy of the verified complaint shall be served upon the defendant and the

proceedings shall be conducted as in civil cases. If it is established the defendant has been or is conducting activities in violation of this Act, the court may enter a judgment enjoining the defendant from that activity. In case of violation of any injunctive order or judgment entered under this Section, the court may punish the offender for contempt of court. Injunctive proceedings shall be in addition to all other penalties under this Act.

Section 40-10. Disciplinary sanctions.

(a) The Department may deny issuance, refuse to renew, or restore or may reprimand, place on probation, suspend, or revoke any license, registration, permanent employee registration card, or firearm authorization card, and it may impose a fine not to exceed \$1,500 for a first violation and not to exceed \$5,000 for a second or subsequent violation for any of the following:

(1) Fraud or deception in obtaining or renewing of a license or registration.

(2) Professional incompetence as manifested by poor standards of service.

(3) Engaging in dishonorable, unethical, or unprofessional conduct of a character likely to deceive, defraud, or harm the public.

(4) Conviction in Illinois or another state of any crime that is a felony under the laws of Illinois; a felony in a federal court; a misdemeanor, an essential element of which is dishonesty; or directly related to professional practice.

(5) Performing any services in a grossly negligent manner or permitting any of a licensee's employees to perform services in a grossly negligent manner, regardless of whether actual damage to the public is established.

(6) Continued practice, although the person has become unfit to practice due to any of the following:

(A) Physical illness, including, but not limited to, deterioration through the aging process or loss of motor skills that results in the inability to serve the public with reasonable judgment, skill, or safety.

(B) Mental disability demonstrated by the entry of an order or judgment by a court that a person is in need of mental treatment or is incompetent.

(C) Addiction to or dependency on alcohol or drugs that is likely to endanger the public. If the Department has reasonable cause to believe that a person is addicted to or dependent on alcohol or drugs that may endanger the public, the Department may require the person to undergo an examination to determine the extent of the addiction or dependency.

(7) Receiving, directly or indirectly, compensation for any services not rendered.

(8) Willfully deceiving or defrauding the public on a material matter.

(9) Failing to account for or remit any moneys or documents coming into the licensee's possession that belong to another person or entity.

(10) Discipline by another United States jurisdiction or foreign nation, if at least one of the grounds for the discipline is the same or substantially equivalent to those set forth in this Act.

(11) Giving differential treatment to a person that is to that person's detriment because of race, color, creed, sex, religion, or national origin.

(12) Engaging in false or misleading advertising.

(13) Aiding, assisting, or willingly permitting

another person to violate this Act or rules promulgated under it.

(14) Performing and charging for services without authorization to do so from the person or entity serviced.

(15) Directly or indirectly offering or accepting any benefit to or from any employee, agent, or fiduciary without the consent of the latter's employer or principal with intent to or the understanding that this action will influence his or her conduct in relation to his or her employer's or principal's affairs.

(16) Violation of any disciplinary order imposed on a licensee by the Department.

(17) Failing to comply with any provision of this Act or rule promulgated under it.

(18) Conducting an agency without a valid license.

(21) Failing, within 30 days, to respond to a written request for information from the Department.

(22) Failing to provide employment information or experience information required by the Department regarding an applicant for licensure.

(23) Failing to make available to the Department at the time of the request any indicia of licensure or registration issued under this Act.

(24) Purporting to be a licensee-in-charge of an agency without active participation in the agency.

(b) The Department shall seek to be consistent in the

application of disciplinary sanctions.

Section 40-15. Suspension or revocation of permanent employee registration card. Individuals registered as employees pursuant to the provisions of Section 35-30 of this Act shall be subject to the disciplinary sanctions of this Act and shall otherwise comply with this Act and the rules promulgated under it. Notwithstanding any other provision in this Act to the contrary, registered employees of an agency shall not be responsible for compliance with any requirement that this Act assigns to the agency or the licensee-in-charge regardless of the employee's job title, job duties, or position in the agency. The procedures for disciplining a licensee shall also apply in taking action against a registered employee.

Section 40-20. Confidential information; violation. Any person who is or has been an employee of a licensee shall not divulge to anyone, other than to his or her employer, except as required by law or at his employer's direction, any confidential or proprietary information acquired during his or her employment. Any individual who violates this Section or who files false papers or reports to his or her employer may be disciplined under Section 40-10 of this Act.

Section 40-25. Submission to physical or mental examination. The Department may order a licensee or a registrant to submit to a reasonable physical or mental examination if the licensee or registrant's mental or physical capacity to work safely is an issue in a disciplinary proceeding. The failure to submit to a Director's order to submit to a reasonable mental or physical exam shall constitute a violation of this Act subject to the disciplinary provisions in Section 40-10.

Section 40-30. Insufficient funds; checks. A person who delivers a check or other payment to the Department that is returned to the Department unpaid by the financial institution upon which it was drawn shall pay to the Department, in addition to the amount already owed, a penalty of \$50. The Department shall notify the person by first class mail that his or her check or payment was returned and that the person shall pay to the Department by certified check or money order the amount of the returned check plus a \$50 penalty within 30 calendar days after the date of the notification. If, after the expiration of 30 calendar days of the notification, the person has failed to remit the necessary funds and penalty, the Department shall automatically terminate the license or deny the application without a hearing. If the returned check or other payment was for issuance of a license under this Act and that person practices as a licensee, that person may be subject to discipline for unlicensed practice as provided in this Act. If, after termination or denial, the person seeks a license, he or she shall petition the Department for restoration and he or she may be subject to additional discipline or fines. The Director may waive the penalties or fines due under this Section in individual cases where the Director finds that the penalties or fines would be unreasonable or unnecessarily burdensome.

Section 40-35. Disciplinary action for educational loan defaults. The Department shall deny a license or renewal authorized by this Act to a person who has defaulted on an educational loan or scholarship provided or guaranteed by the Illinois Student Assistance Commission or any governmental agency of this State. The Department may issue a license or renewal if the person has established a satisfactory repayment record as determined by the Illinois Student

Assistance Commission or other appropriate governmental agency of this State. Additionally, a license issued by the Department may be suspended or revoked if the Director, after the opportunity for a hearing under this Act, finds that the licensee has failed to make satisfactory repayment to the Illinois Student Assistance Commission for a delinquent or defaulted loan.

Section 40-40. Nonpayment of child support. In cases where the Department of Public Aid or any circuit court has previously determined that a licensee or a potential licensee is more than 30 days delinquent in the payment of child support and has subsequently certified the delinquency to the Department, the Department may refuse to issue or renew or may revoke or suspend that person's license or may take other disciplinary action against that person based solely upon the certification of delinquency made by the Department of Public Aid or a circuit court. Redetermination of the delinquency by the Department shall not be required. In cases regarding the renewal of a license, the Department shall not renew any license if the Department of Public Aid or a circuit court has certified the licensee to be more than 30 days delinquent in the payment of child support, unless the licensee has arranged for payment of past and current child support obligations in a manner satisfactory to the Department of Public Aid or circuit court. The Department may impose conditions, restrictions or disciplinary action upon that renewal in accordance with Section 40-10 of this Act.

Section 40-45. Failure to file a tax return. The Department may refuse to issue or may suspend the license of any person, firm, or other entity that fails to file a tax return, to pay a tax, penalty, or interest shown in a filed return, or to pay any final assessment of a tax, penalty, or

interest, as required by any law administered by the Department of Revenue until the requirements of the law are satisfied or a repayment agreement with the Department of Revenue has been entered into.

Section 40-50. Statute of limitations. No action may be taken under this Act against a person or entity licensed under this Act unless the action is commenced within 5 years after the occurrence of the alleged violations. A continuing violation shall be deemed to have occurred on the date when the circumstances last existed that give rise to the alleged violation.

ARTICLE 45. INVESTIGATION AND HEARING PROVISIONS

Section 45-10. Complaints investigated by the Department.

(a) The Department shall investigate all complaints concerning violations regarding licensees or unlicensed activity.

(b) Following an investigation, the Department may file formal charges against the licensee. The formal charges shall inform the licensee of the facts that are the basis of the charges with enough specificity to enable the licensee to prepare an intelligent defense.

(c) Each licensee whose conduct is the subject of a formal charge that seeks to impose disciplinary action against the licensee shall be served notice of that charge at least 30 days before the date of the hearing. The hearing shall be presided over by a Board member or by a hearing officer authorized by the Department. Service shall be considered to have been given if the notice was personally received by the licensee or if the notice was mailed by certified mail, return receipt requested, to the licensee at

the licensee's address on file with the Department.

(d) The notice of formal charges shall consist of the following information:

(1) The time, place, and date of the hearing.

(2) That the licensee shall appear personally at the hearing and may be represented by counsel.

(3) That the licensee may produce witnesses and evidence on his or her behalf and has the right to cross-examine witnesses and evidence produced against him or her.

(4) That the hearing could result in disciplinary action.

(5) That rules for the conduct of hearings are available from the Department.

(6) That a hearing officer authorized by the Department shall conduct the hearing and, following the conclusion of that hearing, shall make findings of fact, conclusions of law, and recommendations, separately stated, to the Board as to what disciplinary action, if any, should be imposed on the licensee.

(7) That the licensee shall file a written answer to the Board under oath within 20 days after the service of the notice, and that if the licensee fails to file an answer default will be taken and the license or certificate may be suspended, revoked, or placed on probationary status, or other disciplinary action may be taken, including limiting the scope, nature, or extent of practice, as the Director may consider proper.

In case the licensee, after receiving notice, fails to file an answer, that person's license or certificate may, in the discretion of the Director, having received first the recommendation of the Board, be suspended, revoked, or placed on probationary status; or the Director may take whatever disciplinary action is

considered under this Act, including limiting the scope, nature, or extent of the person's practice, without a hearing, if the act or acts charged constitute sufficient grounds for the action under this Act.

Section 45-15. Hearing; rehearing; public record.

(a) The Board or the hearing officer authorized by the Department shall hear evidence in support of the formal charges and evidence produced by the licensee. At the conclusion of the hearing, the Board shall make findings of fact, conclusions of law, and recommendations and submit them to the Director and to all parties to the proceeding.

(b) The Board's findings of fact, conclusions of law, and recommendations shall be served on the licensee in the same manner as was the service of the notice of formal charges. Within 20 days after the service, any party to the proceeding may present to the Director a motion, in writing, specifying the grounds for a rehearing or reconsideration of the decision or sanctions.

(c) The Director, following the time allowed for filing a motion for rehearing or reconsideration, shall review the Board's findings of fact, conclusions of law and recommendations and any subsequently filed motions. After review of the information, the Director may hear oral arguments and thereafter shall issue an order. The report of findings of fact, conclusions of law and recommendations of the Board shall be the basis for the Department's order. If the Director finds that substantial justice was not done, the Director may issue an order in contravention of the Board's recommendations. The Director shall provide the Board with a written explanation of any deviation and shall specify the reasons for the action. The findings of the Board and the Director are not admissible as evidence against the person in a criminal prosecution brought for the violation of this Act.

(d) All proceedings under this Section are matters of public record and shall be preserved.

(e) Upon the suspension or revocation of a license, the licensee shall surrender the license to the Department and, upon failure to do so, the Department shall seize the same.

Section 45-20. Temporary suspension of a license. The Director may temporarily suspend a license without a hearing, simultaneously with the initiation of the procedure for a hearing provided for in this Act, if the Director finds that evidence indicates that a licensee's continuation in business would constitute an imminent danger to the public. If the Director temporarily suspends a license without a hearing, a hearing by the Department shall be held within 30 days after the suspension has occurred.

Section 45-25. Disposition by consent order. Disposition may be made of any charge by consent order between the Department and the licensee. The Board shall be apprised of the consent order at its next meeting.

Section 45-30. Restoration of license after disciplinary proceedings. The Department shall reinstate any license to good standing under this Act upon recommendation to the Director, after a hearing before the Board or a hearing officer authorized by the Department. The Department shall be satisfied that the applicant's renewed practice is not contrary to the public interest.

Section 45-35. Cease and desist orders. Whenever the Department has reason to believe a person, firm, corporation, or other legal entity has violated any provision of Section 10-5, the Department may issue a rule to show cause why an order to cease and desist should not be entered against that

person, firm, corporation, or other legal entity. The rule shall clearly set forth the grounds relied upon by the Department and shall provide a period of 7 days from the date of the rule to file an answer to the satisfaction of the Department. Failure to answer to the satisfaction of the Department shall cause an order to cease and desist to be issued immediately.

Section 45-40. Administrative review. All final administrative decisions of the Department are subject to judicial review under Article III of the Code of Civil Procedure. The term "administrative decision" is defined as in Section 3-101 of the Code of Civil Procedure. The proceedings for judicial review shall be commenced in the circuit court of the county in which the party applying for review resides; but if the party is not a resident of Illinois, the venue shall be in Sangamon County. The Department shall not be required to certify any record to the court or file any answer in court or otherwise appear in any court in a judicial review proceeding, unless there is filed in the court with the complaint a receipt from the Department acknowledging payment of the costs of furnishing and certifying the record. Costs shall be computed at the cost of preparing the record. Exhibits shall be certified without cost. Failure on the part of the applicant or licensee to file a receipt in court is grounds for dismissal of the action. During all judicial proceedings incident to a disciplinary action, the sanctions imposed upon a licensee by the Department shall remain in effect, unless the court determines justice requires a stay of the order.

Section 45-45. Prima facie proof. An order of revocation or suspension or placing a license on probationary status or other disciplinary action as the Department may consider

proper or a certified copy thereof, over the seal of the Department and purporting to be signed by the Director, is prima facie proof that:

- (1) the signature is that of the Director;
- (2) the Director is qualified to act; and
- (3) the members of the Board are qualified to act.

Section 45-50. Unlicensed practice; fraud in obtaining a license.

(a) A person who violates any of the following provisions shall be guilty of a Class A misdemeanor; a person who commits a second or subsequent violation of these provisions is guilty of a Class 4 felony:

(1) The practice of or attempted practice of or holding out as available to practice as a private detective, private security contractor, private alarm contractor, or locksmith without a license.

(2) Operation of or attempt to operate a private detective agency, private security contractor agency, private alarm contractor agency, or locksmith agency without ever having been issued a valid agency license.

(3) The obtaining of or the attempt to obtain any license or authorization issued under this Act by fraudulent misrepresentation.

(b) Whenever a licensee is convicted of a felony related to the violations set forth in this Section, the clerk of the court in any jurisdiction shall promptly report the conviction to the Department and the Department shall immediately revoke any license as a private detective, private security contractor, private alarm contractor, or locksmith held by that licensee. The individual shall not be eligible for licensure under this Act until at least 10 years have elapsed since the time of full discharge from any sentence imposed for a felony conviction. If any person in

making any oath or affidavit required by this Act swears falsely, the person is guilty of perjury and may be punished accordingly.

(c) In addition to any other penalty provided by law, a person who violates any provision of this Section shall pay a civil penalty to the Department in an amount not to exceed \$5,000 for each offense, as determined by the Department. The civil penalty shall be imposed in accordance with this Act.

Section 45-55. Subpoenas.

(a) The Department may subpoena and bring before it any person to take the testimony with the same fees and in the same manner as prescribed in civil cases.

(b) Any circuit court, upon the application of the licensee, the Department, or the Board, may order the attendance of witnesses and the production of relevant books and papers before the Board in any hearing under this Act. The circuit court may compel obedience to its order by proceedings for contempt.

(c) The Director, the hearing officer or a certified shorthand court reporter may administer oaths at any hearing the Department conducts. Notwithstanding any other statute or Department rule to the contrary, all requests for testimony, production of documents or records shall be in accordance with this Act.

Section 45-60. Stenographers. The Department, at its expense, shall provide a stenographer to preserve a record of all hearing and pre-hearing proceedings if a license may be revoked, suspended, or placed on probationary status or other disciplinary action is taken. The notice of hearing, the complaint, all other documents in the nature of pleadings and written motions filed in the proceedings, the transcript of testimony, the report of the Board, and the orders of the

Department shall constitute the record of the proceedings. The Department shall furnish a transcript of the record upon payment of the costs of copying and transmitting the record.

Each investigator shall have a minimum of 2 years investigative experience out of the immediately preceding 5 years. No investigator may hold an active license issued pursuant to this Act, nor may an investigator have a financial interest in a business licensed under this Act. This prohibition, however, does not apply to an investigator holding stock in a business licensed under this Act, provided the investigator does not hold more than 5% of the stock in the business. Any person licensed under this Act who is employed by the Department shall surrender his or her license to the Department for the duration of that employment. Each licensed member shall have at least 5 years experience as a licensee in the professional area in which the person is licensed and be in good standing and actively engaged in that profession. In making appointments, the Director shall consider the recommendations of the professionals and the professional organizations representing the licensees. The membership shall reasonably reflect the different geographic areas in Illinois.

(b) Members shall serve 4 year terms and may serve until their successors are appointed. No member shall serve for more than 2 successive terms. Appointments to fill vacancies shall be made in the same manner as the original appointments for the unexpired portion of the vacated term. (c) A member of the Board may be removed for cause. A member subject to formal disciplinary proceedings shall disqualify himself or herself from all Board business until the charge is resolved. A member also shall disqualify himself or herself from any matter on which the member cannot act objectively.

(d) Members shall receive compensation as set by law. Each member shall receive reimbursement as set by the Governor's Travel Control Board for expenses incurred in carrying out the duties as a Board member.

(e) A majority of Board members constitutes a quorum. A majority vote of the quorum is required for a decision.

Proposed rules shall be transmitted, prior to publication in the Illinois Register, to the Board and the Department shall review the Board's recommendations and shall notify the Board with an explanation of any deviations from the Board's recommendations.

Section 50-25. Home rule. Pursuant to paragraph (h) of Section 6 of Article VII of the Illinois Constitution of 1970, the power to regulate the private detective, private security, private alarm, or locksmith business or their employees shall be exercised exclusively by the State and may not be exercised by any unit of local government, including home rule units.

Section 50-30. Fees; deposit of fees and fines. The Department shall by rule provide for fees for the administration and enforcement of this Act, and those fees are nonrefundable. All of the fees and fines collected under this Act shall be deposited into the General Professions Dedicated Fund and be appropriated to the Department for the ordinary and contingent expenses of the Department in the administration and enforcement of this Act.

Section 50-35. Rosters. The Department shall, upon request and payment of the fee, provide a list of the names and addresses of all licensees under this Act.

Section 50-40. Rights and obligations. Section 90-35. The Code of Civil Procedure is amended by changing Section 2-202 as follows:

(735 ILCS 5/2-202) (from Ch. 110, par. 2-202)

Sec. 2-202. Persons authorized to serve process; Place of service; Failure to make return.

(a) Process shall be served by a sheriff, or if the sheriff is disqualified, by a coroner of some county of the State. A sheriff of a county with a population of less than 1,000,000 may employ civilian personnel to serve process. In counties with a population of less than 1,000,000, process may be served, without special appointment, by a person who is licensed or registered as a private detective under the Private Detective, Private Alarm, Private Security, and Locksmith Act of 2004 ~~1993~~ or by a registered employee of a private detective agency certified under that Act. A private detective or licensed employee must supply the sheriff of any county in which he serves process with a copy of his license or certificate; however, the failure of a person to supply the copy shall not in any way impair the validity of process served by the person. The court may, in its discretion upon motion, order service to be made by a private person over 18 years of age and not a party to the action. It is not necessary that service be made by a sheriff or coroner of the county in which service is made. If served or sought to be served by a sheriff or coroner, he or she shall endorse his or her return thereon, and if by a private person the return shall be by affidavit.

(a-5) Upon motion and in its discretion, the court may appoint as a special process server a private detective agency certified under the Private Detective, Private Alarm, Private Security, and Locksmith Act of 2004 ~~1993~~. Under the appointment, any employee of the private detective agency who is registered under that Act may serve the process. The motion and the order of appointment must contain the number of the certificate issued to the private detective agency by the Department of Professional Regulation under the Private Detective, Private Alarm, Private Security, and Locksmith Act

of 2004 1993.

(b) Summons may be served upon the defendants wherever they may be found in the State, by any person authorized to serve process. An officer may serve summons in his or her official capacity outside his or her county, but fees for mileage outside the county of the officer cannot be taxed as costs. The person serving the process in a foreign county may make return by mail.

(c) If any sheriff, coroner, or other person to whom any process is delivered, neglects or refuses to make return of the same, the plaintiff may petition the court to enter a rule requiring the sheriff, coroner, or other person, to make return of the process on a day to be fixed by the court, or to show cause on that day why that person should not be attached for contempt of the court. The plaintiff shall then cause a written notice of the rule to be served on the sheriff, coroner, or other person. If good and sufficient cause be not shown to excuse the officer or other person, the court shall adjudge him or her guilty of a contempt, and shall impose punishment as in other cases of contempt.

(d) If process is served by a sheriff or coroner, the court may tax the fee of the sheriff or coroner as costs in the proceeding. If process is served by a private person or entity, the court may establish a fee therefor and tax such fee as costs in the proceedings.

(e) In addition to the powers stated in Section 8.1a of the Housing Authorities Act, in counties with a population of 3,000,000 or more inhabitants, members of a housing authority police force may serve process for forcible entry and detainer actions commenced by that housing authority and may execute orders of possession for that housing authority.

(f) In counties with a population of 3,000,000 or more, process may be served, with special appointment by the court, by a private process server or a law enforcement agency other

than the county sheriff in proceedings instituted under the Forcible Entry and Detainer Article of this Code as a result of a lessor or lessor's assignee declaring a lease void pursuant to Section 11 of the Controlled Substance and Cannabis Nuisance Act.
